THE PHELPS COUNTY VOLUNTEER MEDICAL RESERVE CORPS

WANTS YOU!

Do you want to do something for your community?

The Phelps County Disaster Committee is leading the effort to establish a Medical Reserve Corps that could be called upon in the event of a county health emergency.

If you are a medical professional or interested citizen volunteer, and would like to help your community, please contact us for more information, or to volunteer.

You may read more about the nationwide Medical Reserve Corps effort at:
