

**NORTH PHELPS COUNTY NEIGHBORHOOD WATCH
EMERGENCY / DISASTER PLAN
QUESTIONNAIRE FOR DATA BASE INFORMATION**

The following requested information will be used to establish a data base for your North Phelps County Neighborhood Watch program.

(It will remain CONFIDENTIAL secure and will NOT be shared without your permission).

The Phelps County Disaster Committee is working to establish a county wide emergency / disaster plan that would prepare residents, in the event of an emergency or disaster in our local / home community. Our Goal is to prepare residents to cope with various emergency and / or disaster situations. As we are the largest Neighborhood Watch organization in Phelps County, we have been selected to be the PILOT PROGRAM which not only includes crime, but also personal and family safety, education and support in various disaster situations.

Levels of preparedness for our families, loved ones, homes, property and community can best be understood with the following general notes:

- A) **PREPAREDNESS PRIOR** to a disaster or loss. (First aid, fire safety, tornado, flood, etc) This is a small sample of what your NHW organization is working on at our meetings, which we plan to expand as we continue in your behalf.
- B) **WHAT TO DO DURING A DISASTER:** First PRIORITY is to PROTECT YOURSELF and your FAMILY – then your PROPERTY and ANIMALS. (Shelters, escape routes, family gathering site, etc.) This would also include what to do / who to call – PRIOR to the arrival of “FIRST RESPONDERS” (Fire – Police – Ambulance)
- C) What assistance you would be, if able, to offer your neighbors during a neighborhood / area disaster , or what assistance will you need from your neighbors . This is more of a time - talent - expertise question and a pertinent question in this survey.

A few goals of our committee are to prepare a photographic map which integrates into the master Phelps County Disaster plan and map for improving rapid response support, pinpointing emergency / disaster sites, etc. Prepare a “Resident Guide” for OUR local area and provide quality training opportunities for our community in areas of First Aid, CPR, and other life saving activities.

PARTICIPATION IS VOLUNTARY !! PROVIDE ONLY INFORMATION YOU ARE COMFORTABLE SHARING, PLEASE COMPLETE BOTH SIDES OF THE FORM AND TRY TO ATTEND YOUR NEIGHBORHOOD WATCH MEETINGS TO LEARN MORE OF HOW WE ALL CAN HELP OUR COMMUNITY GROW AND ENHANCE OUR SAFETY.

Thanks for your cooperation, see you soon.
