

# Phelps County Emergency Weather Shelters

**Does your home offer adequate shelter during severe weather?**

**Do you have somewhere to go when temperatures are extreme?**

**The Phelps County Disaster Committee has established short-term emergency weather shelters in Edgar Springs, Newburg, St. James and Rosati. These are to be used in case of tornado watches or warnings, flooding and extreme heat. Below is a list of these designated weather shelters. Make a note of the one that is closest to you, and when severe weather strikes—you'll know where to seek shelter.**
