CLUB & DISTRICT ACTIVITIES

CLUB ANNIVERSARIES

The Annual Lions-Legion Fall Festival and Parade sponsored in part by the Miller Area Lions Club. A total of three local clubs with help from other small town clubs and many volunteers makes it work. Everyone works hard to make this bigger and better each year. Miller and many neighboring towns look forward to the festivities. All proceeds go to benefit designated charity's. Lion's Doris Corwin in lion costume, Mary Baldwin driver and mascot, and right to left on the float are Judy Garner, Linda Gulick, Jean Reynolds, and Doris Leach. This event, started in 1951, is held on Labor Day weekend each year.

A message from Lions World Services for the Blind.....

The holidays are over and it seems hard to realize that the 1998-99 fiscal year is nearly half over. These have been busy months for LWSB. We celebrated as another group of trainees completed their IRS training and graduated from the program. They are now beginning their new careers thanks to the training they received at LWSB. Also, two new classes start this month in collections for the IRS.

The Business and Service Advisory Council held their annual meeting on our campus on December 3rd and 4th. Those attending included rehabilitation service administrators (including the Assistant Director from Missouri), employers and representatives from consumer organizations. The purpose of this group is to review current programs and help us plan future service and training programs.

Renovation work continues to take place on our campus. The work on the porch connecting Kumpe Hall with the Sakon Building is almost completed and a ramp making the Career Training Center fully accessible has been finished. Our new auxiliary, Angels of the Blind, held a very successful style show as their first fund raising event. They voted to use part of the proceeds to install a new sound system in our auditorium. We really appreciate the efforts of these wonderful ladies.

Lives are being changed every day at LWSB. But we cannot do it without the help and support of the Lions of Missouri. Web site address is www.lwsb.org.
