CLUB PROGRAMS

An excellent program is available for your Lions Club from the people at the Fort Leonard Wood Army Post. They would appreciate the opportunity to talk to your club about the new activities at the Fort; things like the Army Engineer School, the Military Police School, and the Chemical School. They can also talk about their strategic role in sustaining national defense and their positive influence on the state's economy. Fort Leonard Wood is registered in the Speakers Bureau program for the LIONS. For more information call the Public Affairs Office at the Fort at 573-563-4015 or contact PDG Lisa Clinton at 573-364-5274.

Future Lion Activities at the State Convention

Do you want to take your family to the Missouri Lions State Convention but you don't know what to do with your school age children once you get there? The Joplin Host Committee has the answer. Register your children for **Future Lion Activities**.

The committee is setting up organized activities for children that are old enough to participate in the following types of activities. Board games, video games, and movies will be offered Friday evening while the rest of us will be enjoying the hospitality rooms. Saturday's activities will start at 9:00 am with a presentation by the Missouri Department of Conservation and continue until after the Lions Banquet Saturday evening. The remainder of the day will include Lunch, an evening banquet, free time with games and movies

along with a program from the highway patrol, and programs on drug dogs, train safety and many others. They will even have a magician at the banquet.

Adult supervision along with volunteers will be present at all times to help with the activities. All activities will be held in the Hammonds Trade Center. This is the same building where the Hospitality Area will be Friday Night and where the Convention Sessions, Lions Luncheon, and Banquet will be held on Saturday. This is not a nursery or baby sitting activity but should be fun, entertaining, and educational for the young people in your family.

Soooo, when you register for the Missouri Lions 2000 State Convention in Joplin, May 5 - 7, 2000, make sure you also register your children for **Future Lion Activities**.
