would require at **least 8-10 hours of research and compilation** because these records are contained in different files and formats throughout our offices. Since it would require the work of one of our senior staff members **the cost for this research would be \$500.**

In the alternative, you are welcome to make an appointment with this office to come in and inspect and/or photocopy pertinent records. Our hours of operation are from 8:00 a.m to 5:00 p.m, Monday through Friday. We request that you make an appointment because many of the files needed to produce the documents that you are requesting are in use by office personnel **on a daily basis** and might not be available otherwise.
