\*For the 2003 contracts, **Zalis and J. Giger** were given **free medical insurance for their families** (teachers and administrators already get free medical insurance for themselves), **\$200** each for memberships and each get **\$1,500 cash** for In-District Travel. In-District Travel is a new executive bonus invented by the board after the 80¢ levy was passed, to pay administrators for driving around Rolla. At the government rate of .34 per mile that’s a round trip to California.

**IS THIS WHAT THE 80¢ LEVY WAS FOR?**
